CONGRESSMAN GREG CASAR  
TEXAS 35TH DISTRICT

May 3, 2024

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for The Sasha in fiscal year 2025. The entity to receive funding for this project is Travis County, located at 700 Lavaca Street, Suite 320, Austin, Texas 78701. The funding would be used for the construction of The Sasha, a five-story, elevator building that has been designed for those who have experienced long-term trauma, violence, and homelessness. The project is an appropriate use of taxpayer funds because this housing will increase safety for women and children in Travis County by allowing them to exit violent circumstances and achieve stability through permanent supportive housing.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Casar". The signature is stylized with a large, looping "G" and a trailing flourish.
