The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Capital Improvements to the Guadalupe Community Center in Fiscal Year 2027. The entity to receive funding for this project is the City of San Antonio, located at 100 W. Houston St., San Antonio, TX 78205. The funding would be used for capital improvements to the Guadalupe Community Center including roof, electrical, windows, flooring & painting. The project is an appropriate use of taxpayer funds because it will modernize and improve a 70 year old community center that serves 120,000 people every year.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman Greg Casar
