The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Kirby for New Water Well in Fiscal Year 2027. The entity to receive funding for this project is located at 112 Bauman St, Kirby, TX 78219. The funding would be used to cap the existing well, construct a new well on the existing site, and conduct a feasibility study of an additional well site. The project is an appropriate use of taxpayer funds because it will allow the City of Kirby to provide safe, consistent, fresh water to its residents without disruption.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman Greg Casar
Texas Congressional District 35
