The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Montopolis Tributary Trail in Fiscal Year 2027. The entity to receive funding for this project is the City of Austin, located at 301 West Second Street, Austin, TX. 78701. The funding would be used for design and construction of approximately 6,200 lineal feet of shared-use trail improvements improving access between disconnected pocket neighborhoods in the Montopolis area. The project is an appropriate use of taxpayer funds because it will address gaps in safe pedestrian and bicycle infrastructure in a historically underserved area.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman Greg Casar
Texas Congressional District 35
