The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Safe Routes to School Infrastructure Improvements Fiscal Year 2027. The entity to receive funding for this project is the City of Kyle, located at 1700 Kohlers Crossing, Kyle, TX 78640. The funding would be used to construct new sidewalks, high visibility crosswalks, ADA compliant ramps, pedestrian refuge islands, enhanced signage, and traffic calming measures in priority school zones. The project is an appropriate use of taxpayer funds because it will address documented safety gaps along student walking and bicycling routes, reduce risks for children and families, and support safer access to schools.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman Greg Casar
