The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Wallace Addition Offsite – Phase 2: Cape Street Reconstruction and Shared Use Path in Fiscal Year 2027. The entity to receive funding for this project is the City of San Marcos, located at 630 E Hopkins, San Marcos, TX 78666. The funding would be used for road and drainage improvements required for the installation of a shared-use path in the Wallace Addition neighborhood. The project is an appropriate use of taxpayer funds because it improves drainage infrastructure and enhances multimodal connectivity to critical needs and employment, educational, and recreational opportunities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.c5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman Greg Casar
Texas Congressional District 35
